I NEVER received the above stated tickets/gift certificate(s). I assume they have been lost or wrongfully taken. Despite a diligent search, including contacting those who typically handle my mail, the tickets/gift certificate(s) could not be found.

I understand that an investigation will be initiated into the location of the tickets/gift certificate(s), that the recipient may be asked to speak with BeyondWork's Transaction Security Department. **If both the original and replacement package arrive, I will return the duplicate to BeyondWork**, either refusing delivery or writing "Return To Sender" on package and giving it to the postal carrier. If replacement tickets/gift certificates are accepted in error, I will call (408) 392-9780 for further instructions. I understand that all lost tickets/gift certificates have been placed on ALERT with the authorities.

I also understand that BeyondWork cannot be held responsible for and will not replace lost tickets/gift certificates when originally provided with an incorrect or incomplete address by the purchaser or when the package was successfully delivered to the recipient and subsequently lost or stolen.

I have read and understand the policies and procedures in this document.
